Old Business

Look, I apologize for not being at area this month.....it really stinks because I can't tell you if there was any old business discussed or not. I got what minutes were taken but old and new business was not included in what I received. So, I am very, very, very sorry.

But, I will say that there should have been some old business because there were a few motions last month that were tabled. Now, whether these came off the table and were voted on I have no idea. The following were those motions:

Motion 1:

Made by Susan and seconded by Howard.

Motion to re-evaluate the literature allowance for H&I. The current budget is for H&I literature is \$25.00 per meeting per month. Request that the budget for H&I literature would increase to \$45.00 per meeting per month.

Intent of motion is to cover costs of requested literature at facilities and to prevent overages each month. The remainder of the money would then be returned to area monthly.

There was then a motion made by AJ to table this motion.

This motion was tabled.

Motion 4:

Made by Jim and seconded by Lisa.

Motion to ask that GA Region return the sum of money (\$2301.44) that was donated erroneously back to North Atlanta area due to current financial situation.

Intent of motion is that area erroneously donated the money to Region in December.

This motion was tabled. (if you have questions ask your GSR or contact Jim)

New Business

I don't know...nothing was written down for new business...

Just a few extras.....

Also go to http://www.na.org/discussion_boards.htm and print out the 2006-2008 Fellowship Issue Discussions. This would be great to take to your home groups.

I would encourage everyone to go to www.na.org just to browse around the website. There is lots of information that is useful.

Note from secretary.....remember GSR's if you want announcements or group concerns placed in the minutes you need to completely fill out your GSR report. Also if I am leaving any information out of the minutes that you would like seen in them all you have to do is let me know.

Next EEASC business meeting will be Sunday, June 3rd @ 3:00 pm.

I am assuming this is the next meeting....again this was not noted in minutes that I received....if this is wrong I am sure that someone will correct me.

Just an added note....I am not in the flier making business....if you need more information about an activity or about a sub-committee group meeting then you need to contact the person responsible for that committee.

Your trusted servant, Abbie B.
